

### **Life Group Questions – Sunday 11<sup>th</sup> June**

1. How hard do we work at what we do? Why do we work as hard as we do?
2. Who do we work for?
3. Does the knowledge that we are saved through faith motivate us to work harder for God, or does it cause us to be complacent and lazy?
4. How could we work for God better?
5. What are you building on Christ's foundation in you? How confident are you that it will hold up when the Day brings it to light?
6. How do you feel about Colossians 3:18-22 and 4:1? Genuinely. And how would you feel about discussing passages like it with non-believers (and believers?)
