

Questions - Cafe (Community spaces) church

Q1) Paul made the challenge during the Gathering "to invite God into your everyday life" - what do you think about this challenge for yourself?

Is this something you do?

Q2) Being Good News is about bringing Good News with us. Sharing our story of God at work in our lives. What has God been doing in your life recently? How could you share this with your connections?

Q3) Would you consider praying each day for God to provide someone to connect to outside of the RBC family? As a group do you think we could do this together, supporting each other in prayer and encouragement? As a group are we up for being an ACORN group? See picture →

If your group responds strongly in wanting to do this let Carol and Simon Jones know.
