1 Pet 2:13-3:7 – Relationships

Peter looks at three areas of relationships, with those in government (rulers / law makers), in the work place (slaves relationship with their masters) and in the marriage (wives and husbands).

Thinking about these relationships what is the key thing that as Christians we need to be mindful to be intentional about?

How is your relationship with God?

Do you have friends who keep you accountable in developing your relationship with God?

Would you find this type of relationship of accountability helpful?

Thinking about your dealing with those in authority, what needs to change in your thinking and action?

What could you do to stand up for the voiceless?

Are there any relationships in your life that you need to develop more?

Going deeper: are there relationships in your life that need healing?
