

### **Jehovah Nissi – The Lord our Banner**

- 1) How do you think you would feel if you could take yourself back 3,300 years ago to the Great Exodus from Egypt from slavery into the hardship of searching for the promised land?
- 2) Do you feel you have a Banner over you?
- 3) Do you believe that the miracles we read of in the Bible are still relevant and happen today?
- 4) Can you give an example of a time where you had prayed for something specific and you saw the fruition of the prayer?
- 5) Have you had a Joshua moment when asked to do something totally alien to your normal way of life?
