

Unpack the preach(11th May 2025) questions:

Receiving and recognising the Spiritual gifts.

Take time to read the Bible passage 1 Corinthians 12:1-11

Pray for God to reveal more of himself as we go through the questions.

1.How did God speak to you through the scripture and sermon this week?

2. Given what you know about the culture of Corinth, how is Paul speaking to jealousy,rivalry and division in the scripture concerning spiritual gifts?

3.What are spiritual gifts? What are your spiritual gifts?How are you using them?

4. Why do they exist?

5.How does Paul emphasize that these gifts are what we receive and they are not earned? Look at 1 Corinthians 12: 1-3 and 4-6.

6.Do we eagerly desire spiritual gifts more than for example, a new car, other materialistic things/experiences? Look at 1 Corinthians 14:1

7. When was the last time you prayed for miracles of healing? Or a word of prophecy was shared with you or by you? Or opportunities to use your gifts?

8.When was the last time you had to seek out an explanation because your experience of God was a step ahead of your understanding of God?

Thank God for your gifts and pray for God to increase how you use these and where.
